Neutral pH Pressure Washer Soap

Description

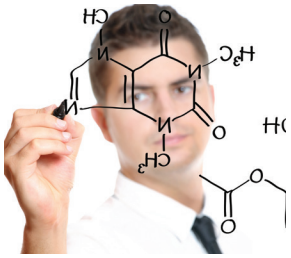
An Ultra Concentrated liquid pressure washer soap formulated to remove exhaust deposits, road film and bug residues from painted vehicle surfaces in one application.

Features

- Economical
- Versatile
- Free Rinsing
- Environmentally Desirable (Eco Friendly)
- Saves time and labor

Benefits

- At dillutions never before seen in the industry, washing up to 10X more trucks per gallon than most of the competitors products.
- Can be applied with high-pressure, in hot or cold water. For best results, blend with treated water. Always rinse with water.
- Biodegradable detergents rinse freely and completely to help eliminate streaking.
- Cleans effectively, eliminates secondary manual brushing.
- Reclaim Compatible



Applications

An excellent, economical industrial neutral pH soap formulated for high-pressure applications. Highly effective on exhaust deposits, road film, and bug residue. Allow 30-45 seconds of dwell time. Recommended to be applied after low pH pre-soak in touch-free applications. Must be removed with high-pressure water.
