High pH Pressure Washer Presoak

Description

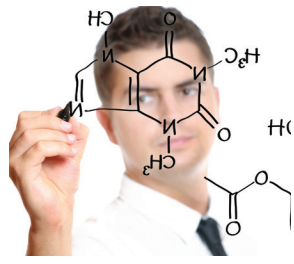

An Ultra Concentrated liquid high foaming hi pH brush and mitter curtain lubricant formulated to remove petroleum and hydro-carbon based contaminates from painted vehicle surfaces in one application.

Features

- Economical
- Versatile
- Free Rinsing
- Environmentally Desirable (Eco Friendly)
- Saves time and labor

Benefits

- At dilutions never before seen in the industry, washing up to 10X more trucks per gallon than most of the competitors products.
- Can be applied with high-pressure, in hot or cold water. For best results, blend with treated water. Always rinse with high-pressure water.
- Contains no phosphates or solvents.
- Cleans effectively

Applications

An excellent, economical vehicle wash formulated for friction applications. Highly effective on exhaust deposits, road film, and bug residue.

Types of Operations

- Vehicle Washing

Type of Equipment

- Friction Tunnel Wash/ Mitter Curtains
- Friction Drive-Thru and Gantry Machines

Water Types

- Revers Osmosis Water
- Natural Water (City or Well)
- Soft Water
